

Amid the Fall Semester

Disposable eating utensils have become iconic around the Campus House. For the past few semesters we have welcomed new students at the various orientations and initial activities with plastic spoons. These have served as mini-billboards, with our vital information scrawled on every possible surface. Likewise, this fall we determined to advertise in every dorm room by welcoming the residents to campus with a pair of chopsticks – conveniently wrapped in one of our flyers. We wanted to get the word out and figured, “everybody eats”.

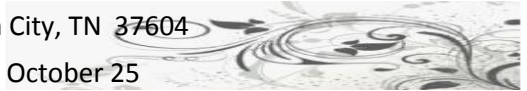

Annual Celebration Banquet

The Things We Do

We create various occasions to produce a buzz and draw awareness – like ice cream parties and late-night pancake meals. But really, the Campus House is devoted to the “normal things” that people would expect from a group of believers. We meet each Wednesday evening to worship. This fall we are following the series of events leading up to the cross with “Deliberate Steps Up a Hill”. We employ small discussion groups for study and encouragement. We eat together each Tuesday, thanks to several local congregations who provide the meal. We pray on campus five days each week to ask God to demonstrate how we can better affect ETSU. We deliberately work to create relationships with international students and to meet their needs through World Café and International Taxi.

Homecoming at ETSU

October 7th is ETSU’s Homecoming Celebration in the new on-campus stadium. The football game kicks off at 2:30 pm, so we invite all Campus House alumni to drop by the Campus House before the game at noon for a potluck cookout and then walk over to the game. The Campus House will provide the burgers, brats, and lemonade. Alumni can simply bring a yummy dish.

Pray for Us

The Campus House intends to win the hearts and to challenge the pre-conceptions of skeptical university students. Many students in the U.S. jettison their identity with Jesus and Christianity during these maturing years. Others simply have not heard the gospel presented clearly enough to garner their interest. Please pray for us, that we may affect the men and women on this campus and that their eternal status would be altered.

Pray for the Servant Team that leads peers through service. Ask God to provide wisdom and energy necessary to accomplish HIS plans through them. The Servant Team (student leadership) is: Ellie, MacKenzie, and Heidi. We also have a “super-intern” for the school year, Daniel Morton, current student at Emmanuel Christian Seminary. He joins Daniel & Rachelle, Trivia, and Mike on ministry staff. We send a prayer request each Monday via email. Let us know if we can include you as we invest together in Kingdom work to this strategic generation.
